The image shows a Windows XP dialog box titled 'Partage' (Share). It has a standard window title bar with a minimize button, a maximize button, and a close button. The dialog contains three text input fields:

- The first field is labeled 'Utilisateur' (User) and contains the text 'prenom.nom'.
- The second field is labeled 'Mot de passe' (Password) and contains the text 'prenom'.
- The third field is labeled 'Serveur' (Server) and contains the text 'serveur'.

At the bottom of the dialog is a single button labeled 'OK'.
